This certificate is issued on the basis of voluntary certification, and it does not substitute outputs of the authorized or notified body.

Prague, issued on 19.03.2026

On behalf of Certification Body  
Pavla Nerandžičová  
Head of Certification Department

1. The product specimen was entered for evaluation and type certification on 16.07.2025.
2. The Certificate was issued on the basis of the documents provided by the client.
3. The assessment of self-declared environmental claim and related documentation was performed at the product manufacturer concentrating on elements ensuring the continuation of product conformity with certification requirements. The results are stated in the Evaluation report of TÜV SÜD Czech file No. 20.083.959.
4. **Validity Conditions**
  - The certificate shall apply only to its holder and products and production places mentioned therein.
  - The transmission of this certificate to third parties is inadmissible as well as the use of certificate by third parties.
  - TÜV SÜD Czech shall be forthwith notified of any product modifications compared to the certified specimen. This fact may cause the certificate continuation dependent on an additional conformity evaluation.
  - TÜV SÜD Czech shall supervise the continuous fulfillment of the environmental requirements by the process of self-declared environmental claim at the manufacturer within 12 months deadline on the basis of a concluded contract about the controlling activity.
  - The certificate shall only be reproduced complete including all the annexes.
  - The certificate holder commits to keep records of all the relevant complaints concerning the conformity of the products with the requirements of regulations and standards and make those records available to the certification body TÜV SÜD Czech.
  - Not specified items (advertising, use of certification mark and certificates) are governed by the General Conditions for Product Certification, as amended.

**Self-declared environmental claim related to the product**

LDPE film containing at least 80% recycled material

LDPE film containing at least 30% recycled material

This certificate is revision No. 1, which replaces Certificate No. 18.489.375 dated 25.02.2026.
